Steven Lippman is an associate in the firm's Business Law, Health Care and Municipal Governance departments. In his practice he represents public and private entities on industrial development projects, general business and corporate matters such as governance, entity formation, mergers and acquisitions, equity buyouts, joint ventures, and contract drafting and negotiation. In addition, Mr. Lippman has significant experience with regulatory compliance and transactional matters particular to health care clients, and he assists firm clients by translating emerging trends into business operation best practices.
