

VISITOR PARKING

Christian & Barton is located on the 18th floor of One James Center, at 901 East Cary Street. Hourly visitor parking is available in the James Center Parking Garage located on 10th Street, between Cary and Canal streets.

Visitors should enter the garage from 10th Street, and bear to the left following the sign for One James Center. For convenience, navigate to at least Level 2 (which is color coded orange) and park in any available spot. Bring your parking ticket with you for validation by the firm's receptionist.

If parking on Level 2: Cross to One James Center via the skybridge suspended above 10th Street. Enter the skybridge through the entrance door facing the 10th Street side of the garage, and follow the signs for One James Center.

If parking on any other level: Take the elevator on the 10th Street side of the garage to Level 2. Turn left from the elevator bank and walk across the skybridge suspended above 10th Street, following the signs for One James Center.

Once across the skybridge, bear to the left and head towards the back elevator bank labeled "Floors 1 & 7-21." Christian & Barton is located on the 18th floor.
