Megan Holley is an associate in the firm's Commercial Real Estate and Business Law departments where she assists clients with commercial real estate transactions including property acquisition, zoning, finance, development and lease negotiation, and advises public and private entities on general business and corporate matters. In addition, she has experience reviewing and translating Spanish language legal documents.

EDUCATION

William & Mary Law School, J.D., 2013
University of Virginia, B.A., History and Spanish, 2010

ADMISSIONS

Virginia

PRIOR EXPERIENCE

Before concentrating her legal career on commercial real estate transactions, Megan practiced residential real estate law while working in-house for mortgage and title companies. She also has experience litigating insurance defense and subrogation cases for the trial division of a large, national insurer handling matters in general district and circuit courts throughout central Virginia.
